Job Description

Job Title: Junior Engineer

Status: Exempt – Full-time

Department: Engineering

Division: TNDV (Nashville, TN)

Purpose:

The purpose of this position is to provide assistance to the Engineer In Charge (EIC) with onsite client service and technical support. Maintain and operate technical equipment and support systems, while providing client service.

Position Responsibilities:

- Work with EIC or engineering management to monitor the mobile unit broadcast engineering operations at remote events.
- Perform preventative maintenance and troubleshooting while executing changes and engineering updates on mobile units.
- Perform regular cleaning and inventory checks for mobile units.
- Track and report on equipment and system repair and maintenance status.
- Coordinate the activities of crew members, related to the operation of mobile units.
- Follow through on repairs, inventory needs, and updates.
- Provide onsite client service and technical support.
- Maintain and file the proper expense reports and technical reports on a per sow or other designated basis.
- Work on mobile units in the shop for maintenance, upgrades, etc., as required.
- Other duties as assigned.

Qualifications:

- Associates, Technical or College (preferred) degree in Electronics or Engineering field. However, various combinations of education and experience will be considered.
- 2-5 years' experience in broadcast engineering or related positions, however a combination of education and experience will be considered.
- Demonstrated knowledge of broadcast technology, equipment, facilities, and production for major commercial and cable television networks.
- Familiarity with audio, visual, graphic and other systems used in mobile television facilities is desirable.
- Demonstrated skills and experience in technical aspects of onsite television production with progressive broadcast equipment.
- Ability to interface with clients and provide a high level of service and support.
- Must be willing and able to lift/push/pull up to 50 pounds and be willing to seek assistance for anything over 50 pounds. (Should not seek to do over 50 lbs. without assistance).
- Must be willing and able to travel – travel is required throughout the year.
